- ❑ **Begin the pre-registration process now.** The purpose of the *Step by Step* process is to encourage early commitments and allow full distribution of information to all participants. The Group Coordinator must present the full details of payment obligations and deadlines, medical screening and the implications of missing deadlines or not properly filling out forms.
- ❑ By nature of its activities, Wilderness Trek™ *is not* for everyone. **Every participant** is required to have a medical screening. Be sure all participants are aware of this information before they pre-register.

These deposits reserve your spaces until May 5, 2008. **The \$100 deposit is transferable, but non-refundable.** The deposit will be applied to a participant's fee. The deposit is transferable to another additional camper to cover their deposit for a 2008 trip. **A unused deposit is forfeited and cannot be applied to the deposit or final balance of a trekker for whom you have already paid fees.**
- ❑ The individual spots you reserved with your *Group Reservation Agreement* are forfeited upon missing the WTCC deposit deadline, postmarked by February 4, 2008. WTCC will begin filling these spots from their waiting list after the February 4, 2008 deadline. Please, contact Edd Eason , WTCC Executive Director, (800-833-4218 or wtccmail@aol.com) if you need to add someone to your group after this date to ensure that spots are still available.

There is no additional charge to stay your last night in tents. The next morning your group will return all tents, sleeping bags, packs and any other gear. When all gear is accounted for, your group may begin their journey home.
