

April 23, 2009

Dear friends of Wilderness Trek,

On April 1, 2009 I tendered my letter of resignation as Executive Director of Wilderness Trek Christian Camp Inc. ("WTCC") to its Board of Trustees. For more than 30 years the ministry of Wilderness Trek has been my enduring passion. After serving on the WTCC Board for 17 years, it was a dream-come-true when I was asked to serve as Executive Director. I sincerely appreciate the opportunities given me by the WTCC Board of Trustees. I love the ministry of Wilderness Trek. I will continue to love and support the ministry of Wilderness Trek.

When the WTCC Board hired me as Executive Director it was my desire to help grow the Wilderness Trek organization in accordance with the vision of the Board. For the past six years I have given my best effort. I have no regrets. I am very proud of the Wilderness Trek Board of Trustees and all that we have accomplished together.

The WTCC Board of Trustees is taking the ministry of Trek in the right direction. I believe those currently on the Board are the right people for the job. I sincerely appreciate all the support given to me and my family by the Board and other stakeholders over the years. I look forward to continuing our friendships and associations.

During the past thirty years I've seen God use the Trek ministry to change the lives of so many people. I believe God will continue to do this if we trust Him to work in us and through us.

Effective June 1, 2009, I will become the new Director of Project Access - Community Care Coordination for Central Dallas Ministries. Over the next several months I pledge to do everything necessary to assist the WTCC Board in selecting a new Executive Director and facilitating a smooth transition.

Sincerely,
