

WILDERNESS TREK™

2007 ANNUAL REPORT

Youth Encouragement Services—Nashville, TN

Dear Friends,

Our annual report attempts in a few words and pictures to tell the exciting story of the expanding influence of the Wilderness Trek ministry. Wilderness Trek celebrated its 31st year in 2007. For more than three decades God has used the ministry of Wilderness Trek to touch thousands of lives. Thank you for allowing God to use you in this ministry.

We employ a simple straightforward operating philosophy, we believe in young people and those who shape their lives.

We create an environment of challenge for young people and adults to grow in their relationships with the Creator and with each other.

Our God has always used the wilderness to prepare people to be servant-leaders for Him. Each summer we bring people and the wilderness together. God does the rest.

Thank you for taking the time to review our work. Thank you for continuing to be our partner in this vital ministry.

- Wilderness Trek Christian Camp is a non-profit organization whose mission is to transform lives and pierce hearts by God's power and presence as experienced in the grandeur of His creation.
- Wilderness Trek helps young people and adults increase their spiritual awareness, develop their leadership skills, strengthen their relationships with God and others and to appreciate and preserve God's creation.
- The Trek experience is a rugged adventure that's neither easy nor impossible. It's a group effort. Staff members teach and guide groups of young people and/or adults on a backpacking expedition into the wilderness. The week culminates with a summit attempt upon one of Colorado's highest summits.
- Over the past 30 years Wilderness Trek has provided scholarships to thousands of young people from urban and rural communities who otherwise could not afford to participate.
