Dear Wilderness Trek Family,

The Board of Trustees of Wilderness Trek Christian Camp is mindful that God is always at work through us for His purposes. For many years, God has worked through our dear brother and friend, Edd Eason, to change lives through the ministry of Wilderness Trek. It is with heavy hearts we announce and accept Edd's resignation as WTCC Executive Director, effective June 1, 2009. Although Trek will lose Edd on a day-to-day basis, Trek will never lose Edd's heart and support for this ministry. He has led with grace, integrity, courage, passion and a deep desire for his Father's will. We are indescribably grateful for Edd's service to Trek and we know that God will pour out His blessings on Edd and Tresia as they continue in His service.

Now, as we prayerfully look to the future, we are excited to see the great things our God has in store for this powerful ministry. We are very positive about the future of Trek and we will continue to keep our eyes fixed on our goal of changing young people through the transforming power of God's presence as experienced in the grandeur of His creation. Edd's resignation will have no impact on WTCC continuing its activities and operations this summer. We are looking to another summer full of God's blessings.

The WTCC Board of Trustees will immediately launch a search for a new Executive Director. A job description along with application details can be found on the Wilderness Trek web-site.

Please join us in prayer, as together we place the future in God's hands and seek our Lord's guidance through this transition and for His continued blessings on this ministry.

In Christ,

*Richard Van Eaton*
